Must-Have Experience the Philippines' Best Luxury of Sanctuary in Bohol

Bohol, Philippines – While most of Panglao's other resorts are situated at the crowded part of the island, The Bellevue Resort is quietly tucked away in a sliver of secluded beach at the northwest tip of Bohol's prized tourist destination. This exclusive 5-star resort is a leader in luxe getaways that maintains an unobtrusive presence and aesthetic, building around nature rather than over it. Notable for its environmentally-friendly systems, programmes, and overall design, the resort takes pride in being a recipient of the prestigious ANAHAW, ASEAN Green Hotel and MICE Venue awards, and also recognized as one of TripAdvisor Traveler's Choice Hall of Fame awardee in Asia.

The Bellevue Resort's special location in Bohol make it an ideal sanctuary for privacy and indulgence. A luxury of sanctuary known for dedicated service, uncompromised quality and penchant for innovation. Situated at the inviting and serene Doljo Beach, the resort is just 15-minute drive from the nearby Bohol – Panglao International Airport, and two hours away from Cebu by ferry.

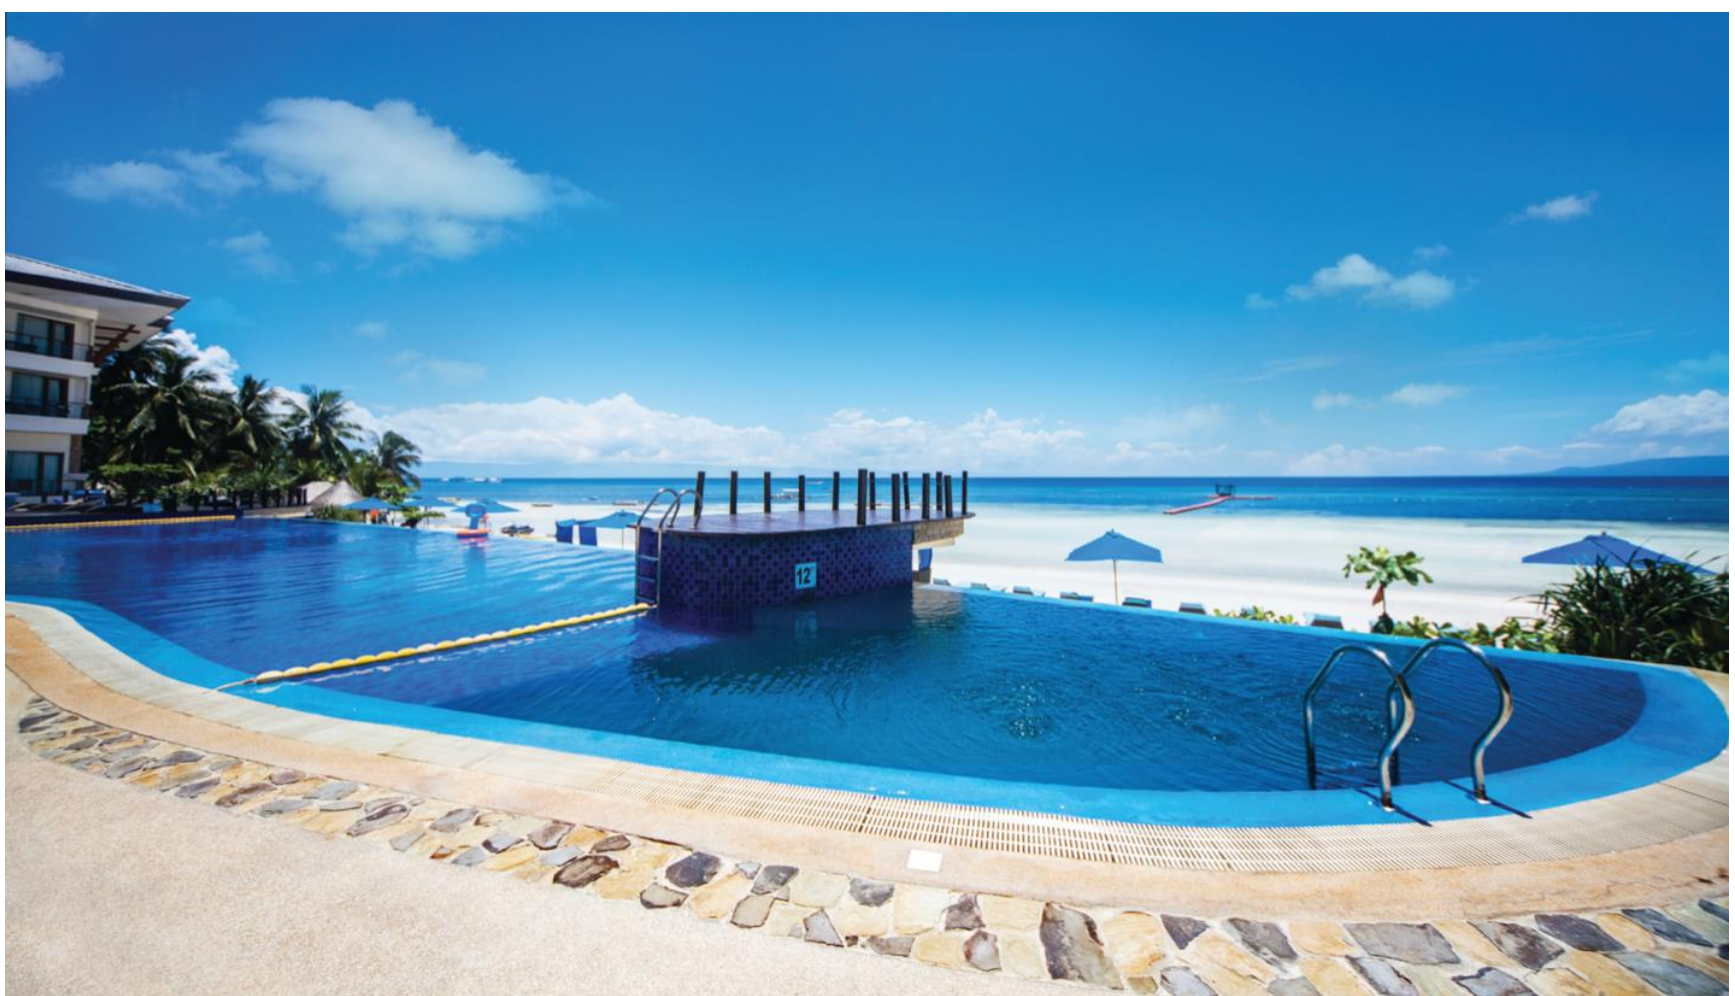

This multi-awarded 7-hectare property consist of 155 exquisitely appointed luxury rooms and suites, which maximize the spectacular views of the picturesque Doljo Beach, and the island’s lush tropical landscape peeking through floor-to-ceiling windows. The 250-meter white sand beachfront makes the perfect match that compliments The Bellevue Resort’s boundless architecture and flaunting ocean views in every turn.

Breathtaking Welcome

The Bellevue’s brand of genuine warm hospitality begins as soon as guests arrive from the airport or seaport. Much like a royal arrival, guests are welcomed at the resort’s grand pavilion with warmest smiles. Guests can indulge in any of the pampering relaxations at the resort’s own Azurea Spa or they can lounge around at the resort’s expansive sugary white sand beach.

Guests will also find it difficult to resist the temptation to swim in the resort’s stunning infinity pool, which also have a kiddie area with 2-foot depth for toddlers going for a dip. The pool also has a 12-foot diving area for those want to make a splash. Diving fans are also in for a treat as the resort offers a dive and water sports center that can help guests with all that they will need for their above and underwater expedition.

There is a playing area where children can enjoy while gym buffs need not worry about skipping their routine on vacation as the resort offers a well-equipped gym fronting ocean view. This family-oriented resort has wide selection of on and off site activities for all its guests in all ages. From relaxing to active, sea or land, even any time of the day, it has something that will surely suits everyone.

The resort also has a lobby shop and honesty store for those who want to buy souvenirs, while those who have to get things done even while on vacation can avail of the services being offered at the resort's business area.

Exquisite Dining

Tuck in at premium dining experience that maintains farm-to-table practices where ingredients are sourced from the its very own vegetable and herb greenhouse farm. Seafood fans are in for a treat at the resort's restaurant features with the freshest catch of the day from the local fishermen, and signature dishes at Marea Al Fresco Dining, where the ala carte is complimented by the stunning seaside ambiance. While Marea Bar offers refreshing summer cocktails, tropical shakes, and other bar chow. Truly, the resort features dining experience with its own taste and style. Whether a quick snack, a buffet feast, or a special dining setup with private table overlooking the ocean, The Bellevue Resort offers various dining options to serve any appetite and occasions.

Exploring Wonders

With the help of the resort's tour desk, guest can choose to go around and wander the other great things that Bohol countryside offers. Beyond visiting the iconic Chocolate Hills or seeing the Philippine Tarsier in its natural habitat, Bohol has a myriad of attractions and activities for tourist to enjoy. Experience the rich culture and biodiversity of Bohol by taking a guide community to one of the world's rarest artisanal salt, Asin Tibuok (unbroken salt) found in Albur, or explore Loay or Abatan River, which takes a closer look at Bohol's river town and their old traditions.

Have a relaxing cruise down the famous Loboc River aboard floating restaurant while being treated lunch onboard and to a vista of lush tropical vegetation of nipa palms, coconut trees, and banana groves. Revisit the past in Bohol's centuries-old churches, dating back to the early years of Spanish colonization in the province.

Excite your senses as the diverse marine life unravels before your eyes at Balicasag Island Marine Sanctuary. Balicasag Island is known as one of the best dive sites in the Philippines, which offers a grand array of tropical fishes, rare turtles, and various large corals.

Combining contemporary design and tropical lifestyle, The Bellevue Resort is the perfect luxury getaway to Bohol, Philippines. To know more about the resort, visit www.thebellevuebohol.com. For inquiries and reservations, contact (+6338) 422 2222 or email info@thebellevuebohol.com.
